## Information from the E-catalogue of the Research Library of Tomsk State University about the location of items that are stored in the departments, faculties, institutes of TSU and other libraries and organisations of Tomsk.

To access the items, you can contact staff members of these organisations in their working hours.

| The name of place of storage in the E-catalogue                                                                           | Location                                                  |
|---------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------|
| The Library of Herbarium of Tomsk State University (Biological Institute)                                                 | Building 1, room 222                                      |
| Department of Analytical Chemistry (Faculty of Chemistry)                                                                 | Building 6, room 315                                      |
| Department of English at faculties of Natural, Physical, and Mathematical Sciences (Faculty of Foreign Languages)         | Building 2, room 117                                      |
| Department of English Philology (Faculty of Foreign Languages)                                                            | Building 2, room 233                                      |
| Department of Botany (Biological Institute)                                                                               | Building 1, room 220                                      |
| Department of Oriental Studies (Faculty of History)                                                                       | 3a Buyanovsky Alley, room 13 ("Parus" halls of residence) |
| Department of Computational Mathematics and Computer Modelling (Faculty of Mechanics and Mathematics)                     | Building 2, room 313                                      |
| Department of Higher Mathematics and Mathematical<br>Modelling (Institute of Applied Mathematics and Computer<br>Science) | Building 2, room 225                                      |
| Department of Geography (Faculty of Geology and Geography)                                                                | Building 6, room 318                                      |
| Department of Geometry (Faculty of Mechanics and Mathematics)                                                             | Building 2, room 305                                      |
| Department of Hydrology (Faculty of Geology and Geography)                                                                | Building 6, room 209                                      |
| Department of Gymnastics and Sports Games (Faculty of Physical Education)                                                 | 36 Lenin St., Sports Centre                               |
| Department of Civil Law (Institute of Law)                                                                                | Building 4, room 219                                      |
| Department of Civil Procedure (Institute of Law)                                                                          | Building 4, room 204                                      |
| Department of Humanitarian Problems of Informatics (Faculty of Philosophy)                                                | Building 4, room 313                                      |
| Department of Dynamic Geology (Faculty of Geology and Geography)                                                          | Building 1, room 238                                      |
| Department of Flight Dynamics (Faculty of Physics and Engineering)                                                        | Building 10, room 406                                     |
| Department of Information Security and Cryptography (Institute of Applied Mathematics and Computer Science)               | Building 2, room 109                                      |
| Department of Invertebrate Zoology (Biological Institute)                                                                 | Building 1, room 133                                      |
| Department of Vertebrate Zoology and Ecology (Biological Institute)                                                       | Building 1, room 126                                      |
| Department of Information Technologies and Business<br>Analytics (Institute of Economics and Management)                  | Building 12, room 220                                     |
| Department of Operations Research (Institute of Applied Mathematics and Computer Science)                                 | Building 2, room 202                                      |
| Department of History and Documentation (Faculty of History)                                                              | Building 3, room 29                                       |
| Department of History of the Ancient World, the Middle Ages and the Methodology of History (Faculty of History)           | Building 3, room 39                                       |

| Department of History of Philosophy and Logic (Faculty of History)                                     | Building 4, room 302  |
|--------------------------------------------------------------------------------------------------------|-----------------------|
| Department of Ichthyology and Hydrobiology (Biological Institute)                                      | Building 1, room 315  |
| Department of Quantum Field Theory (Faculty of Physics)                                                | Building 17, room 128 |
| Department of Quantum Electronics and Photonics (Faculty of                                            |                       |
| Radiophysics)                                                                                          | Building 11, room 330 |
| Department of Constitutional and International Law (Institute                                          |                       |
| of Law)                                                                                                | Building 4, room 206  |
| Department of Space Physics and Ecology (Faculty of Radiophysics)                                      | Building 11, room 404 |
| Department of Local History and Tourism (Faculty of Geology and Geography)                             | Building 6, room 205  |
| Department of Criminalistics (Institute of Law)                                                        | Building 4, room 214  |
| Department of Forestry and Landscape Construction                                                      |                       |
| (Biological Institute)                                                                                 | Building 5, room 9    |
| Department of Mathematical Analysis (Faculty of Mechanics                                              |                       |
| and Mathematics)                                                                                       | Building 2, room 320  |
| Department of Mathematical Physics (Faculty of Physics and Engineering)                                | Building 10, room 510 |
| Department of Meteorology and Climatology (Faculty of Geology and Geography)                           | Building 6, room 202  |
| Department of Mechanics of Deformed Solid Body (Faculty of Physics and Engineering)                    | Building 10, room 515 |
| Department of Mineralogy and Geochemistry (Faculty of Geology and Geography)                           | Building 1, room 152  |
| Department of Inorganic Chemistry (Faculty of Chemistry)                                               | Building 6, room 401  |
| Department of General Literature Studies, Publishing and                                               |                       |
| Editing (Faculty of Philology)                                                                         | Building 3, room 4    |
| Department of Optics and Spectroscopy (Faculty of Physics)                                             | Building 17, room 226 |
| Department of General, Slavonic-Russian Linguistics, and<br>Classical Philology (Faculty of Philology) | Building 3, room 23   |
| Department of General Mathematics (Faculty of Mechanics and Mathematics)                               | Building 2, room 318  |
| Department of General and Experimental Physics (Faculty of Physics)                                    | Building 17, room 125 |
| Department of Ontology, Epistemology and Social Philosophy (Faculty of Philosophy)                     | Building 4, room 309  |
| Department of Organic Chemistry (Faculty of Chemistry)                                                 | Building 6, room 306  |
| Department of Paleontology and Historical Geology (Faculty of Geology and Geography)                   | Building 1, room 241  |
| Department of Petrography (Faculty of Geology and Geography)                                           | Building 1, room 151  |
| Department of Political Science (Faculty of Philosophy)                                                | Building 4, room 300  |
| Department of Soil Science and Soil Ecology (Biological Institute)                                     | Building 1, room 138  |
| Department of Applied Aeromechanics (Faculty of Physics and Engineering)                               | Building 10, room 408 |
| Department of Applied Gas Dynamics and Combustion (Faculty of Physics and Engineering)                 | Building 10, room 506 |
| Department of Applied Mathematics (Institute of Applied                                                | Building 2, room 215  |
